CL500
 CLEA's elegant flat sheet dispenser hygienically dispenses one 12" towel with each pull, ensuring reduced consumption, limited cross contamination, and increased labor savings.

- Single sheet dispensing
- Eliminates cross contamination
- Controls usage and reduces costs
- Motion activated, free of cranks and levers
- Labor Savings
- Never out stub roll feature

PROFESSIONAL LOOK

Cleá offers an easy change-out of recessed folded towel cabinets to either one of our "Hands-Free" dispensers. This will immediately save up to 40% on paper costs.

Cleá also offers a recessed or surface mount stainless steel "controlled-use" dispenser.

Environmentally-Friendly Roll Towels

Our roll towels meet or exceed EPA guidelines for post-consumer waste content. 100% recycled, 40% post-consumer waste content.

Clean on the outside... Green on the inside.

Hands Free, Controlled-use
Roll Towel System

The smooth, quiet, battery-free operation of the hands-free dispenser, hygienically dispenses a pre-measured towel with each pull.

- Stub roll feature allows maintenance staff to maximize dispenser capacity & extend service intervals, while eliminating stub roll waste
- Each serving of towel is pre-measured at 12" to limit consumption
- A transparent cover allows at-a-glance maintenance checks
- Durable plastic construction, and a locking door prevents vandalism, product pilferage, and waste
- Slotted back housing for easy installation
